b If you were Joe, what would you do? How would you help Kelly?

I'd tell Kelly to take the part.

I'd do her Saturday job for her.

4 The plan in action

Read the summary. Watch the end of the programme and correct the information.

When Kelly went to work, Mary told her that she couldn't have the Saturday off. Then Bernie said to Kelly that he wasn't working the Sunday after next. Kelly felt really happy that her friends had interfered. However, Bernie convinced her that her friends had done a bad thing. When Kelly went to The Hub she looked happy, but then she thanked her friends because they had helped her.

After you watch

Work with a partner. Discuss the questions.

- 1 Do you think Kelly would be a good actress? Why / Why not?
- 2 If Kelly's friends hadn't helped her, what would have happened?
- 3 If Kelly hadn't been able to do the filming, how would she have felt?
- 4 If you were in a similar situation to Kelly, what would you do?
