 - to give an opposing view of Section 43
 - to compare American and Canadian law
 - to show the Petersons' feelings about their experience

Point of view

B Who probably made these statements? Check (✓) the correct answers.

- Reasonable spanking is not against the law.*
 Justice Menzies Dr. Elliot Barker
- Canadians can spank children if they think they are helping their children.*
 David Peterson Michael Menear
- Spanking hurts a child psychologically.*
 Dr. Elliot Barker Paula Peterson
- The method of discipline should be the parents' decision.*
 David Peterson Marlene Timperio

Fact or opinion

C Check (✓) the correct column.

		Fact	Opinion
1.	Rachel pushed her brother out of the car.	✓	
2.	David Peterson spent a night in jail.		
3.	The Petersons were responsible, reasonable, and caring parents.		
4.	Canadian law does not go far enough to protect children.		

The Letter

Main ideas

A Check (✓) the correct column.

		True	False	Not in the text
1.	Fujiko and Hatsue live away from their real home.			✓
2.	The story is told from the mother's point of view.			
3.	Hatsue loves the boy.			
4.	Hatsue was not truthful.			
5.	Fujiko sent a letter to the boy's parents.			

Sequencing

B Write the letter of each event in order on the time line.

- Hatsue comes home.
- Fujiko takes Hatsue's letter to the post office.
- Fujiko reads the letter.
- Fujiko hands Hatsue the letter.
- The boy teaches Hatsue how to swim.
- Hatsue apologizes.
- Fujiko feels betrayed.
- Fujiko tells the post office clerk she will pick up the family's mail.
- The boy writes to Hatsue.
- Fujiko tells Hatsue to write the boy one last letter.

Tone

C Check (✓) the tone of each statement.

- “Surely not,” she said in Japanese. (par. 1)
 - a. shocked
 - b. happy
 - c. frightened
- “Here,” she spat. (par. 7)
 - a. angry
 - b. sad
 - c. surprised
- “You will not write again to this boy or accept his letters,” she said sternly. (par. 8)
 - a. strong
 - b. understanding
 - c. upset

Schools take the fun out of suspension

Main ideas

A Complete the outline with the sentences from the box.

- | | |
|---|---|
| <input type="checkbox"/> Give students an on-campus suspension. | <input type="checkbox"/> Students fall behind in studies. |
| <input checked="" type="checkbox"/> Sending students home isn't effective punishment. | <input type="checkbox"/> Students like being at home. |
| <input type="checkbox"/> Students can work on inner problems. | <input type="checkbox"/> Students won't fall behind. |

- I. Problem: Sending students home isn't effective punishment.
 A. Reason: _____
 B. Reason: _____
- II. Solution: _____
 A. Reason: _____
 B. Reason: _____

Details

B Match the beginning of each sentence with its correct ending.

- | | |
|---|--|
| <u>d</u> 1. Some students liked | a. pick up trash. |
| _____ 2. Ventura County schools | b. talk about why they were suspended. |
| _____ 3. Teachers were worried about | c. suspended students missing classes. |
| _____ 4. Peter Shedloskey asks students to | d. staying home from school. |
| _____ 5. Suspended students at Westlake High School | e. changed their approach to punishing students. |

Context clues

C Find the words in *italics* in the reading. Circle the meaning of each word.

1. A *misbehaving* student is **getting bad grades / not going to school / acting badly**. (par. 1)

 ___ 4. *superstition* (par. 2) / *belief* (par. 3)
 ___ 5. *excavated* (par. 5) / *dug* (par. 5)
 ___ 6. *ritual* (par. 2) / *tradition* (par. 1)
 ___ 7. *resurrection* (par. 6) / *recreation* (par. 8)
 ___ 8. *mourning* (par. 8) / *grieving* (par. 1)

Chapter Two

Main ideas

A Complete the story chart with the phrases and sentences from the box.

- | | |
|--|---|
| <input type="checkbox"/> after George's return from Europe | <input type="checkbox"/> George realizes he must live without his wife. |
| <input type="checkbox"/> George reads a letter about his wife. | <input checked="" type="checkbox"/> two brothers, George and Leo |
| <input type="checkbox"/> George's apartment in New York | |

Characters	<i>two brothers, George and Leo</i>
Location	
Time	
Action	
Result	

Sequencing

B Write the letter of each event in order on the time line.

- George looks for his wife in England.
- George goes to Europe.
- George reads a letter from Mary Ann Patterson.
- George talks to Leo about starting life again.
- Mary Ann Patterson cuts Barbara's hair.
- George's wife Barbara dies.
- George gets angry at his wife in Italy.

Context clues

C Unscramble these words from the reading. Use the clues to help you.

- odlcnocnee* condolence = expression of sorrow or loss (lines 1–10)
- riitcerf* _____ = great (lines 11–20)
- osirtaprt* _____ = pictures (lines 21–30)
- satyfna* _____ = dream (lines 31–40)
- bbypoalr* _____ = almost certainly (lines 41–46)

CHALLENGE

D Underline all the compound nouns in the reading.

Funeral Blues; The Chariot

Paraphrasing

A Check (✓) the correct paraphrase.

- Put crepe bows round the white necks of the public doves,
("Funeral Blues," verse 2, line 3)
 a. Let everyone know he is dead,
 b. Decorate his funeral in a beautiful way,

a. hurried b. stopped c. started again

Can you believe what you see?

Context clues

A Find the words in the reading with these meanings.

1. a person who sees something happen (par. 1) eyewitness
2. being held by the police (par. 1, 2 words) _____
3. staying in a public place for no reason (par. 3) _____
4. a person who helps commit a crime (par. 4) _____
5. divided into groups of two (par. 4, 2 words) _____
6. outlines or descriptions of events (par. 6) _____

Details

B Mark each statement about the experiment true (T) or false (F).

- T The experiment studied memory and eyewitness testimony.
- Wright gave 40 people the same picture book.
- The 40 books showed a woman stealing a man's wallet.
- Every book showed a woman loitering with an accomplice.
- The volunteers were divided into 20 pairs.
- Most witnesses were not influenced by their partners' descriptions.

Reference words

C What do these words refer to?

1. *some* (par. 2, line 5) witness
2. *the other half* (par. 3, line 4) _____
3. *one* (par. 4, line 6) _____
4. *one* (par. 4, line 8) _____
5. *none of them* (par. 6, lines 2–3) _____
6. *all* (par. 8, line 8) _____

CHALLENGE

D Test your memory. Look at each row in the chart for five seconds. Then turn the page over and write the letters you remember. Check your answers and write the number of letters you remembered correctly.

Row	Number of letters	Letters	Number of correct letters
A	2	B N	
B	4	X R D F	
C	6	C V K L O Q	
D	8	I H T Y V H U P	
E	10	Z G J M R P M A U X	
F	12	Y X I H S R V A G A B	

Man weds the wife he forgot

Sequencing

A Check (✓) the diagram that best shows the order of events in Ken Howell's illness.

- ___ 1. severe headaches → brain cancer → memory loss → coma → recovery
 ___ 2. brain cancer → severe headaches → coma → recovery → memory loss
 ___ 3. severe headaches → coma → brain cancer → memory loss → recovery

Details

B Check (✓) the events that happened to Ken Howell after 1997.

1. He thought modern cars looked like space ships.
 ___ 2. He got brain cancer.
 ___ 3. He got married a second time.

 ___ 7. He had bad headaches.
 ___ 8. He watched a video of his daughter's wedding.

Context clues

C Find the words in *italics* in the reading. Circle the meaning of each word.

1. If you have a *catastrophic* memory loss, you lose **a lot** / **some** / **a little** of your memory. (par. 2)
 2. If you have *infinite* care and patience, you have **very great** / **very skilled** / **good enough** care and patience. (par. 3)
 3. If doctors *diagnosed* you with an illness, they said you **already have** / **might get** / **should avoid getting** a health problem. (par. 5)
 4. If you *recover* from an illness, you **don't have it any more** / **are worried about it** / **can't forget about it**. (par. 6)
 5. If you've *clawed* something *back*, it's **come back easily** / **come back with difficulty** / **lost forever**. (par. 8)

CHALLENGE

D Answer these questions.

1. Why did Ken think Christine was too old to be his wife?

2. Did Ken and Christine have a happy marriage before his illness?

3. Why did Ken marry Christine again?

4. Does Ken remember everything now?

Repeat after me: Memory takes practice

Main ideas

A Complete the outline with the words and phrases from the box.

- | | |
|--|---|
| <input type="checkbox"/> keep things in the same place | <input checked="" type="checkbox"/> practice, organization, and focus |
| <input type="checkbox"/> memory lapses | <input type="checkbox"/> repeat information |
| <input type="checkbox"/> physical trauma | <input type="checkbox"/> stress |
| | <input type="checkbox"/> use word association |

- I. Problem: _____
 A. Cause 1: infrequency of use
 B. Cause 2: _____
 C. Cause 3: _____
- II. Solution: *practice, organization, and focus* _____
 A. Method 1: _____
 B. Method 2: _____
 C. Method 3: _____

Details

B Check (✓) the statements that are true.

- ___ ✓ 1. Memory is a problem for people of all ages.
 ___ 2. Word association is a good way to remember dates.
 ___ 3. It's not difficult to improve your memory.
 ___ 4. Some people believe that herbs can help memory.
 ___ 5. Soccer players often have memory problems.
 ___ 6. If you're healthy, you won't forget anything.
 ___ 7. It's easier to forget new and different information.
 ___ 8. When we forget information, it isn't always really lost.

Vocabulary

C Find the words in the reading with these meanings.

- | | |
|--|---------------------------|
| 1. a student in the last year of high school (par. 1) | _____ <i>senior</i> _____ |
| 2. people who know a lot about the brain (par. 2, 2 words) | _____ |
| 3. people who are old (par. 2, 2 words) | _____ |
| 4. people in general (par. 2) | _____ |
| 5. a mother (par. 3) | _____ |
| 6. people who look for new information (par. 4) | _____ |
| 7. a person who plays the cello (par. 4) | _____ |
| 8. a person who makes bread and cake (par. 5) | _____ |
| 9. a person who studies the brain (par. 8) | _____ |
| 10. a person who teaches psychology (par. 11, 2 words) | _____ |

What do our possessions say about us?

Main ideas and tone

A Circle the correct answers.

- What is the author's main point?
 - People's desks reflect their personalities completely.
 - People's desks do not reflect their personalities at all.
 - People's desks reflect their personalities, but others may assess them incorrectly.
- How does the author support the main point?
 - by describing a research study
 - by interviewing different people
 - by giving her own opinions
- What is the tone of the article?
 - factual
 - humorous
 - surprised

Context clues

B Find the words in *italics* in the reading. Then complete the sentences.

<i>enrolled</i> (par. 5)	<i>occupants</i> (par. 7)	<i>raters</i> (par. 8)
<i>experiences</i> (par. 7)	<i>possessions</i> (par. 2)	<i>results</i> (par. 8)

- I am waiting for the _____ *results* _____ of my final exams. I hope I passed all my courses!
- Ron doesn't have much money, so he doesn't have many _____.
- Some _____ say this is a really good movie, but others say it is not.
- Twenty students _____ in this class, but two of them left after one week.
- This apartment building is very small. There are only 40 _____.
- Andrew gets bored very easily, and he always like to have new _____.

Vocabulary

C Do these words have positive or negative meanings? Complete the diagrams.

accurate	damage	inspirational	stifled
agreeableness	dependability	misleading	sweaty
applauding	distressing	ruthlessly	tidy
befriended	erroneously	scatter-brained	undependable
